

INSTRUCTIONS
for
TEAMS access to SICHEM 2025

Dear participants,

To access the Symposium channel, please follow the following instructions:

1. If you are a member of NUST Politehnica Bucharest, follow the link below:

General | SICHEM 2025 | Microsoft Teams

Notice! If you already have a company account on TEAMS, but you aren't a member of the University Politehnica, and you are added as a "guest", please don't forget to change the institution status to Politehnica University of Bucharest.

2. If you don't have the TEAMS application installed, open the application directly in your browser

3. If you aren't a member of NUST Politehnica Bucharest or you do not have a professional account on TEAMS, follow the steps below:

- Access or create a free account on Microsoft.com
- Send to the organizing committee of SICHEM the email address attached to this account
- Launch the TEAMS application (on web or downloaded) from the browser (the link in point 2 above)
- Log in to the NUST Politehnica Bucharest platform with the email address that you previously sent to the organizing committee.
- Accept the invitation from NUST Politehnica Bucharest to participate as a guest

IMPORTANT NOTICES:

1. Email address sent to the Organizing Committee must be identical to the email address used to log in to the TEAMS platform for SICHEM!
2. Only participants who registered for a paper or the Symposium Guests are allowed to access the Symposium platform. Other people who want to get access to the platform must contact the technical managers.
3. Try to simulate the login in the SICHEM platform in the days before the Symposium and announce the inadvertences to the technical team: gabriela.isopencu@upb.ro and angela.spoiala@upb.ro
4. If you have met the above requirements and are unable to access Teams SicheM 2025, it is recommended that you log out of the application and restart it.
